Description

The ocean relaxes you and creates an energy in you that inspires inner and outer discovery, broadens horizons and triggers new connections. The ocean connects you with yourself, people and the places around you.

Is it the mystical blue water at sunset, the endless beaches, or the star-studded sky where nature reveals her perfection - inspiring us to live life to the fullest? Your answer will reveal itself along the luminous shores of the Mediterranean. From Athens, warm breezes guide us to rejuvenate on powdery beaches, to explore storied lands and ancient cultures, where the seed of life well-lived blossoms in the sunshine of Santorini and harvests along the Dalmatian coastline before triumphant return to the towers and domes of stately Venice rising proudly from the Adriatic.

Explora Journeys represents the ambition and long-held dream of the MSC Group and the Aponte family to create a transformative luxury ocean travel experience and brand that redefines the luxury cruise category.

Itinerary

Day 1

Athens (Piraeus)

On arrival into Athens, make your way to the port and prepare to embark EXPLORA I. Today you will depart at 8PM.

Athenians don't live in the past. Ahead of its time, Athens exudes glamour and a sense of possibility - housing galleries, gelaterias, bijoux boutiques alongside a plethora of museums. And you can't help but marvel at the archaeological wonders of the Acropolis and the Parthenon. Stroll through vibrant streets and markets, dance at buzzing bouzoukia, sing along in tavernas. At night, head to the harbour, where dimly lit bars serve the local ice cold beer. And, as you inhale the salty air and watch Greek fishing boats peacefully depart for their catch, reflect on this ancient city's progressive attitude.
