Day 3

Cruising

After breakfast we cruise downriver to picturesque Swan Reach. The town was first settled in the 1850s, was originally the largest of five sheep and cattle stations in the area and is now home to native flower and fruit growers. The original Swan Reach homestead is now the Swan Reach Hotel where you can enjoy an ale or cappuccino overlooking the Murray River (additional cost). Join a walking tour and visit the Swan Reach Museum (gold coin donation at entry). Cruise downriver after lunch and take in the tranquillity as the landscape slides by. Catch up with friends over a coffee or drink whilst enjoying the magnificent scenery. When we arrive at Sunnydale, it's all ashore for the Woolshed Show as we recreate typical Australian woolshed history. Later we visit the Native Wildlife Shelter where some of South Australia's most interesting native animals are cared for. And then of course, there is the great Aussie Barbecue – cooked and served in a bush setting on the banks of the mighty Murray River. An optional Nocturnal Tour (additional cost) in a comfortable purpose-built cart is available after dinner where you may see kangaroos, wombats, foxes, bats, and owls by powerful spotlights. Special stops along the way are included to view the spectacular night sky which is part of the River Murray International Dark Sky Reserve.

Your Vessel:

The PS Murray Princess is a true inland paddle wheeler built for the Murray River, with the character and charm of yesteryear. It is the largest inland paddle wheeler in the southern hemisphere. Catering for just 120 passengers, she brings the unique advantages of small ship cruising to the remarkable setting of Australia's outback.

Don't be fooled by most modern-day imitation paddle wheelers where the paddle is often on the side and just for show. The PS Murray Princess is an authentic paddle wheeler that is propelled by its massive stern wheel. The onboard atmosphere is relaxed and informal by style. The lounge features a majestic view of the paddlewheel in action through the two-story viewing window. Upper and lower lounge areas are accessed by the classic brass and mahogany-style spiral staircase.

The PS Murray Princess cruises between Mannum, Murray Bridge, and Salter's Station down the Murray River. The wetlands in this area provide essential breeding and feeding habitats for many species of waterbirds, fish, invertebrates, and plants, meaning that you'll see the wonderful wildlife in this outback setting.

The PS Murray Princess has 5 passenger decks, Sturt, Randell, Cadell, Chaffey named after the Murray River's great pioneers, plus the Sun Deck.
