Day 7

Purnululu National Park, Bungle Bungles

Spend the day exploring the highlights of this extraordinary National Park, the most famous of which are the Bungle Bungle domes. Rivers created this landscape of unique orange and black striped 'beehive' geological formations over a period of 20 million years. Unbelievably, only the locals knew it existed until the early 1980's. To protect its unique landscape, the area was made a national park in 1987 and now enjoys World Heritage status. We explore the 2km long Echidna Chasm, known for its towering Livistonia Palm trees, and take a short walk (2-3km) into stunning Cathedral Gorge, where towering rocks create a natural amphitheatre. There is time in the afternoon to take an optional scenic flight (at own expense) and enjoy a birds-eye view of the beehive domes

Spiritually significant, these limestone caves are one of the oldest identified sites of human occupation in Australia. Delve into Dreamtime with our local Gooniyandi guide who shares traditional stories and reveals the secrets of Mimbi Caves, a sanctuary of crystal clear pools, rare fossils and ancient rock art. Share fresh damper and billy tea with the Gooniyandi traditional owners before we head for Fitzroy Crossing.

Day 9

Windjana Gorge & Tunnel Creek

Following another night by the Fitzroy River, we head for Bunuba country – once a Devonian reef, this terrain is over 350 million years old and home to a diverse array of animals and plants. In the morning we seek the adventure of Tunnel Creek, a 750-metre cave system in which we discover secret caves and a large variety of wildlife. It is here we also learn the legend of Jandamarra, an Aboriginal freedom fighter who used the tunnel as a hide-out in the late 1800's. Freshen up with a swim in the idyllic waterhole at the end of the tunnel before we travel to the geological wonder of Windjana Gorge, a delightful oasis in the outback. Beneath gorge walls rising 90m, we enjoy a picnic lunch and search for freshwater crocodiles, local birdlife and Indigenous bush tucker. The Gibb River Road then leads us from the picturesque Napier Ranges as we begin the return to Broome via the Derby 'Boab Prison Tree'.
