Description

Get away and enjoy ultimate indulgence with this 10 day luxurious escape package. Escape from it all in not one, but *two* remote luxury lodges, allowing you to experience some of Australia's most unique destinations in style.

Sal Salis Ningaloo Reef is an exclusive beach safari camp nestled in the dunes of the Cape Range National Park near Exmouth in Western Australia. Each of the fifteen eco-luxe wilderness tents are the ultimate in bush luxury, offering views of the surrounding landscape and Indian Ocean. Relax among the stunning surrounds however you please - spend the day in a hammock, watch the local wildlife or wander down to the beach and paddle amongst the waves. Swim alongside majestic whale sharks and awe-inspiring humpback whales right off the shore of camp, with direct access to the UNESCO World Heritage listed Ningaloo Reef. On-hand guides will tailor experiences to you, both in the water and amongst the surrounding landscape, including in the nearby the Cape Range National Park where you can find hundreds of different local species.

Berkeley River Lodge is set in one of the last true wilderness areas on earth. Between the amazing Timor Sea sunrises and Berkeley River sunsets, the ultimate Kimberley adventure and refined indulgence await you here. Berkeley River Lodge is Australia's most remote mainland luxury lodge experience, only accessible by air. But don't worry, you're not alone - dedicated staff are on hand to provide you with the ultimate luxury experience. Enjoy daily activities, including 4WD tours, fishing expeditions and more, and take advantage of skilled chefs catering all of your meals, including nightly five-course degustation dinners. Your private, glass-fronted

villa (complete with a balcony) gives you a front row seat to the amazing, ever-changing views of the surrounding landscape, all while enjoying a cheese platter and sunset drinks.

Sounds like paradise to us!
