Day 2

Hanoi

Explore the charming city of Hanoi, often referred to as the 'Paris of the East', with its yellow ochre colonial buildings, tree-lined boulevards, and scenic lakes. Visit the historic Ho Chi Minh Mausoleum (closed every Monday, Friday & all afternoons), an imposing monument of marble and granite built to house the preserved body of beloved revolutionary leader Ho Chi Minh, affectionately known to the Vietnamese as "Uncle Ho". Tour the One Pillar Pagoda, a Buddhist temple built in 1049 of wood in the shape of a lotus blossom and set on a single stone pillar, considered by many to be one of Vietnam's most iconic pagodas. Visit Ho Chi Minh's House nearby, a simple wooden house in a tranquil setting where Ho Chi Minh lived and worked. Some of his belongings are on display and visitors can walk up the steps to see his bedroom. In the afternoon, you will visit Hoan Kiem lake with Ngọc Son temple and take a cycle trip around before enjoying the water puppet show in the front of Hoan Kiem lake. The remainder of the day is free at leisure for your own exploration in Hanoi.

Optional Activity: Hanoi Evening Street Food Tour

Your English-speaking local guide will give you an insight into the intricacies and traditions of Vietnamese food culture including details on ingredients and historical backgrounds of popular northern dishes. We eat as we go, sampling tasty Hanoian street food from a street cart.

Walking through the maze of bustling streets that make up Hanoi's Old Quarter, we tempt our tastebuds with the famed Hanoi dish Bun Cha Ta, Nen Ran, Pho, at a local eatery. Watch in awe as the skilled chefs demonstrate for you how this tasty dish is put together. Continuing into the atmospheric heart of the Old Quarter, we wander past street stalls and quiet residential lanes where you can observe local life that has changed little since Hanoi was founded over 1000 years ago.

Now, it's time for dessert as we venture down a small alley to join in the local tradition of feasting on fresh fruit served in a cup and smothered with crushed iced and condensed milk – this specialty is one not to be missed!

Your local guide will then take you to one of Hanoi's best kept secrets, a hidden café inside the old quarter. This hard-to-find café is one of the few lefts in the city that still serves egg coffee, a scrumptious local delicacy that we will sample whilst admiring the hustle and bustle of the city centre below. Or, if coffee is not your style, a cold beer awaits!

At the end of our Hanoi Street food tour, you are free to continue exploring the area or your guide will assist you with directions or a taxi back to your hotel.

Siem Reap Day Tour

After breakfast, enjoy a full day excursion to discover Angkor Thom and Temples. Firstly, you will visit the wonderful Angkor Thom (the Great City) including the Southern Gate, famous Bayon temple (12th century in the centre of city remains one of the most enigmatic temples of the Angkor group composed of 54 gothic towers decorated with 216 smiling faces of Avalokitesvara. Baphuon temple is lying just to the north of Bayon a pyramidal representation of mythical Mount Meru. Terrace of Elephants used as a giant reviewing stand for public ceremonies and served as a base for the king's grand audience hall ; Terrace of the Leper King a platform 7m high, with statue. Visit to Ta Prohm. One of the area's most beautiful temples, Ta Prohm has been left relatively untouched since it was discovered and retains much of its mystery. Its appeal lies in the fact that, unlike the other monuments of Angkor, it was abandoned and swallowed by the jungle, looking very much the way most of the Angkor temples appeared when European explorers first stumbled upon them.

Afternoon, it is time to visit the wonderful Angkor Wat Temples – one of the seven greatest architectural wonders of the world, as a temple and mausoleum for King Suryavarman II at the peak of the Khmer empire in the first half of 12th. Angkor Wat is probably the best-preserved of the Angkorean temples, with a central tower surrounded by four smaller towers. The central monument represents the mythical Mount Meru, the holy mountain at the centre of the universe, which was home to the Hindu God Vishnu. The whole complex covers 81 hectares, a rectangular wall measuring 1025 meters by 800 meters borders the inner edge of the moat, and temple's greatest sculptural treasure is its 2 km-long bas-reliefs around the walls. In the late afternoon, visit to the Phnom Bakheng temple, is the first temple in Angkor region built by the Yacovarman I King in the first of 9th century, located on a slope gently hill where thousands of tourists are grouping on the hilltop to catch a memorable time of life when viewing the marvellous sunset, the distant Angkor Wat in the jungle.
