Description

This promises to be an unforgettable adventure filled with stunning landscapes, thrilling wildlife encounters, and enriching cultural experiences, all within the safety and camaraderie of a women-only group

- NO SOLO SUPPLEMENTS ON THESE TOUR DEPARTURES -

This tour offers an incredible opportunity for women travelers to connect with one another while exploring one of Africa's most diverse and beautiful countries. With no single supplements, this tour is ideal for solo female travelers who want to experience Kenya in the company of like-minded women without the additional cost.

From the moment you arrive in Nairobi, you'll be warmly welcomed by a local representative who will ensure your smooth transition to the vibrant city. Your journey begins with a stay at the luxurious Crowne Plaza Hotel, where you'll meet your female guide, who will be your knowledgeable companion throughout the tour. Her presence adds a unique dimension to the experience, as she offers insights into the local culture, wildlife, and history from a woman's perspective. This initial evening is a perfect opportunity to get acquainted with your fellow travelers and prepare for the exciting adventure ahead.

The tour takes you on an exhilarating journey through some of Kenya's most

famous national parks, starting with Tsavo East and Tsavo West National Parks. These parks, known for their diverse wildlife and stunning landscapes, offer unparalleled opportunities for game viewing. Imagine the sight of dust-red elephants spraying each other with water from the Galana River or the thrill of spotting lions, leopards, and rhinos in their natural habitat. The unique combination of Tsavo East's arid beauty and Tsavo West's rugged terrain, complete with the crystal-clear waters of Mzima Springs, ensures a rich and varied safari experience.

One of the highlights of this tour is the cultural immersion you'll experience at Elerai Conservancy, where you'll spend time with the Maasai women learning traditional bead-making. This hands-on experience offers a deeper understanding of the Maasai culture and the importance of their traditions. The connection between you and the Maasai women, facilitated by your female guide, makes this an enriching and memorable part of the journey. The conservancy also provides a more intimate wildlife experience, with its stunning views of Mount Kilimanjaro serving as a dramatic backdrop.

From the bustling city of Nairobi to the breathtaking landscapes of Masai Mara, this tour promises a rich and immersive experience

Amboseli National Park, another jewel on this itinerary, is renowned for its large herds of free-ranging elephants and breathtaking views of Mount Kilimanjaro. The park's sparse vegetation offers some of the best opportunities to observe wildlife in their natural environment, making it a photographer's paradise. Spending a full day here allows you to immerse yourself in the beauty of Amboseli, with its varied landscapes and abundant wildlife, from impalas and giraffes to lions and cheetahs.

The tour's itinerary also includes a visit to Lake Naivasha, where you'll enjoy leisure time and explore the area's rich biodiversity. The serene waters of the lake and the surrounding landscapes provide a peaceful contrast to the intensity of the game drives, allowing you to relax and reflect on the journey so far. The visit to the nearby Masai village for another bead-making lesson further deepens your cultural connection to Kenya, reinforcing the tour's emphasis on authentic, immersive experiences.

No trip to Kenya would be complete without exploring the legendary Masai Mara Game Reserve, home to the highest concentration of wildlife in the country. Here, you'll witness the iconic African savannah and the rich diversity of animals that inhabit it, including the Big Five. The Masai Mara, with its endless plains and teeming wildlife, offers a quintessential African safari experience that is both awe-inspiring and humbling. The cooking class at your camp, led by expert chefs, adds a fun and interactive element to your stay, allowing you to learn about the local cuisine in a beautiful, natural setting.

The journey concludes with a visit to Lake Nakuru National Park, famous for its population of rhinos and stunning flamingo-lined shores. This final leg of the tour encapsulates the incredible diversity of Kenya's landscapes and wildlife, offering one last opportunity to soak in the beauty of the African wilderness. The early morning game drive provides a chance to capture those last perfect memories before heading back to Nairobi for a farewell lunch at the Karen Blixen Coffee Garden.

Throughout this journey, the '12 Days | Explore Kenya | LADIES TOUR | 2025' offers an extraordinary blend of adventure, culture, and camaraderie, making it a perfect choice for women looking to explore Kenya in a supportive and empowering environment. Whether you're bonding over shared experiences with fellow travelers or learning from the wisdom of your female guide, this tour promises to be a transformative experience that will leave you with lasting memories and a deeper appreciation for the beauty and diversity of Kenya.

Itinerary

Day 1

Nairobi

Welcome to Africa! On arrival at Nairobi Airport International Airport, you will be met by a local representative and transfer to your hotel. Your guide will meet you at the hotel this evening to introduce herself and provide a rundown of the schedule and be available for any questions you may have. Dinner tonight is at your own account.

Meals: None

Accommodation: Crowne Plaza Hotel or similar

Day 2

Nairobi Tsavo East National Park

An early start means that you will collect a breakfast pack from the hotel before being met at and transferred to Nairobi Train Station. The train departs at 8AM and arrives at Voi Train Station, the closest station to Tsavo East at 1205PM where you will be met by your driver to begin a game drive in Tsavo East National Park enroute to your camp. After lunch, enjoy an afternoon game drive ending with a sundowner.

Kenya Railway Journeys – Please be aware that there is limited assistance on the Kenya Railway for boarding, disembarking or help with luggage. At both Nairobi and Mombasa boarding is level, directly from platform to carriage, but at the country stops you are required to navigate narrow stairs down to the platform and can be tricky with baggage. Seating is reserved and a valid passport is required to book the service and you will need to show your identification when entering the main train stations prior to departing. The train is kept clean during the journey and you are welcome to take food and non-alcoholic beverages on board with you but there is a dining car for first class passengers to purchase refreshments.

Meals: Breakfast, Lunch and Dinner

Accommodation: Satao Camp

Day 3

Tsavo East National Park

Enjoy a day of game drives in the Tsavo East National Park.

Tsavo East National Park – A national park in Kenya with an area of 13,747 km². It was established in April 1948 and covers a semi-arid area previously known as the Taru Desert. Together with the Tsavo West National Park, it forms an area of about 22,000 square kilometres. The Tsavo River flows west to east through the national park, which is located in the Taita-Taveta County of the former Coast Province.

The sight of dust-red elephant wallowing, rolling and spraying each other with the midnight blue waters of palm-shaded Galana River is one of the most evocative images in Africa. This, along with the 300 kilometre long Yatta Plateau, the longest lava flow in the world, make for an adventure unlike any other in the Tsavo East. The park forms the largest protected area in Kenya and is home to most of the larger mammals, vast herds of dust –red elephant, Rhino, buffalo, lion, leopard, pods of hippo, crocodile, waterbucks, lesser Kudu, gerenuk and the prolific bird life features 500 recorded species.

Day 10

Masai Mara Game Reserve

Today you will spend the day game viewing. Return to your Camp for lunch followed by an afternoon cooking class with experts from the camp.

Masai Mara National Reserve – Located in south west Kenya it is a vast scenic expanse of gently rolling African savannah plains measuring 1510 square kilometres in area and bordering the Serengeti National Park in Tanzania to the south. Masai Mara is a unique wildlife conservation haven famous for its spectacular natural diversity of wildlife and is the premier Kenya Safari location in East Africa, offering visitors numerous reasons to visit this animal paradise. Large numbers of Lions, Cheetah, Elephant, Rhino, African Buffalo, Wildebeest, Giraffe, Zebra and many more animals are found in the park in their natural habitat, unconfined and free to roam the vast Kenyan wilderness stretching for miles on end.

It is no surprise that tourists from the world over travel here to experience a Masai Mara Safari tour, more so as the reserve has been voted one of the new Seven Wonders of the World. Regarding the origin of the name, the word 'Masai' comes from the Maasai tribe, nomadic inhabitants of the area and the word 'Mara' is their word for 'spotted', referring to the ubiquitous flat topped acacia trees, shrubs and bushes that dot the landscape across most of the reserve.

Meals: Breakfast, Lunch and Dinner

Accommodation: Mara Sarvoa Game Camp

Day 11

Masai Mara Game Reserve Lake Nakuru National Park

Today your journey will take you straight to Lake Nakuru. The park boasts a good number of rhinos as well as a large population of leopards. Enjoy lunch at your Lodge followed by an afternoon game drive in the park.

Lake Nakuru National Park – Lake Nakuru is one of the Rift Valley lakes, located at an elevation of 1,754 m above sea level. It lies to the south of Nakuru, in the rift valley of Kenya and is protected by Lake Nakuru National Park.

The lake's abundance of algae used to attract a vast quantity of flamingos that famously lined the shore. Other birds also flourish in the area, as do warthogs, baboons and other large mammals. Eastern black rhinos and southern white rhinos have also been introduced.

Nakuru means “Dust or Dusty Place” in the Maasai language. Lake Nakuru National Park, close to Nakuru town, was established in 1961. It started off small, only encompassing the famous lake and the surrounding mountainous vicinity, but has since been extended to include a large part of the savannahs. Lake Nakuru is protected under the Ramsar Convention on wetlands.
